Thank you for participating in the 2011 Pirouettes in the Park outdoor dance festival! Here are some reminders about your upcoming performance:

- DAVID BLIGHT SCHOOL OF DANCE will perform on the AMPHITHEATER from 3:20 – 3:40 pm.
- Please arrive at least 30 MINUTES prior to your performance time and check in with PIP staff at the tent located next to the Martz Amphitheater.
- Immediately after checking in, please bring your CD or cassette to the sound trailer, located in the grass near the seating area. Please make sure that your music is contained on one CD labeled with your studio name and song titles in the order in which the music will be played.
- Please report to the stage area 10 minutes before your scheduled performance time.
- Please do not leave valuables in the dressing tent and clean up after yourself.
- The Martz Amphitheater will have a Marley-covered performance space of approximately 30'x30'. The bandshell is approximately 40 feet across and 18 feet deep. Dancers should wear street shoes until they are ready to perform to help keep the stages clean.

- It can be cool in the park, so remember to dress accordingly.
- In the case of rain on the day of the event, all performances will be moved to the Martz Amphitheater. The event will be held rain or shine; however, it will be up to the individual group to decide whether or not they choose to perform. Groups should call one of the coordinators with their decision before 10:30 a.m. on the day of the performance.
- Commemorative event t-shirts listing the name of each participating studio or group will be available for sale for \$5.00 each at the check-in tent. If you would like to reserve shirts ahead of time, please contact Bridget with sizes and quantities.
- **If you have not done so, please email Bridget (missbridget212@gmail.com) a brief script for the Master of Ceremonies to read no later than April 20.**
- If you have any questions, please call/email Bridget.
- Thank you and HAVE FUN!
